Re: Joint Application of Startec Global Communications Corporation and Startec
Global Operating Company for Authority Nunc Pro Tunc for a Pro Forma
Corporate Restructuring
Docket No.: 2007-111-C

Dear Mr. Terreni:

Please allow this correspondence to serve as notification that the Office of Regulatory Staff does not oppose the request of Startec Global Communications Corporation and Startec Global Operating Company (collectively, "the Companies") in the referenced docket. ORS has reviewed this matter with Counsel of Record for the Companies and understands that the new entity will assume all financial liabilities with regard to gross receipts and universal service fund support of Startec Global Operating Company in South Carolina.

Furthermore, Startec Global Communications Corporation ("the Company") agrees to adopt the current tariffs of Startec Global Licensing Company. As a prerequisite of offering prepaid calling card or prepaid long distance services, the

Company will, consistent with the South Carolina Public Service Commission ("Commission") requirements, post and maintain with the Commission a surety bond in the amount of \$5,000. The Company agrees to participate in the support of universally available telephone service at affordable rates and to comply with the verification regulations governing change of preferred interexchange carriers as established by the Federal Communications Commission, and the Company agrees to comply with the marketing practices and guidelines established in Order Nos. 95-658 and 95-933.

Therefore, upon the Commission conditioning the approval based on the understanding as outlined, ORS does not oppose the request.

Thank you for your consideration in this matter.

Sincerely,

A handwritten signature in dark ink, appearing to read 'C. Lessie Hammonds', with a stylized, cursive script.
